

**READING TOGETHER PRESENTS**

# **READER'S THEATRE A WORKSHOP**

**FRIDAY MARCH 3, 2-4pm  
CML (BUILDING 19) RM104**

Reader's Theatre is an ideal tool for giving voice to a diversity of backgrounds, experiences, and cultures. Participants may draw from their own experiences, or from others in this interactive, creative, community building activity. With the help of this year's Reading Together books, workshop leaders will guide us in the initial steps of creating a Reader's Theatre script.
