

Key Benchmarks -- LANE Community College

College Now Students Enrolled in Credit Courses (not College Now) 1-year Later

◆ 2,877 students were last enrolled in College Now courses during the 2008-09 academic year. From those students, 302 (10.2%) were enrolled in Lane credit courses (not College Now courses) one year later during the 2009-10 academic year.

Analysis and Action: The number of students that enrolled in College Now (CN) courses and then continued on to enroll in non-CN credit courses one year later increased 120% between 2003-04 and 2008-09. The College Now Program offers dual credit courses in partnership with Lane County high schools enabling high school students an opportunity to earn Lane credits for coursework completed in their high schools during their regular school day. Find out more about College Now at <http://www.lanecc.edu/hsconnections/collegenow/index.html>.

Note: This is not a report of high school graduates.
