

2009 Follow-up Study Of 2007-08 Students

Table of Contents

Executive Summary	1
General Analysis.....	3
Detailed Analysis.....	5
Career Technical (CT) Response Rates	6
Transfer Grad Response Rates	8
All Respondent Major Grouping and Completion Status	9
Demographics.....	12
Age.....	12
Gender.....	14
Ethnic Background	16
Goals and Attainment.....	18
Reasons for Choosing Lane	18
Primary Reason for Attending Lane	20
Goal Accomplishment	22
Reasons for Leaving Lane Before Completing a Degree	24
Education.....	26
Education Status (All Respondents)	26
Preparation for Transfer (Transfer Majors).....	28
Ease of Transfer (Transfer Majors)	30
Writing Classes Completed at Lane (Transfer Majors).....	32
Preparation for Four-Year Institution Writing Tasks (Transfer Majors).....	34
Likelihood of Taking Classes at Lane in the Next 2-3 Years (All Respondents).....	36
Employment	38
Summary: Employment Data.....	39
Employment Status (All Respondents)	40
Employed in Present Job before Attending Lane (Career Technical Majors)	44
Job Related to Field of Training (Career Technical Majors).....	47
Reasons Why Job is Not Related to Field of Training (Career Technical Majors).....	50
Relevance of Courses on the Job (Professional Technical Majors)	52
Income (Career Technical Majors)	55
Cooperative Education (All Respondents).....	59
Cooperative Education Value and Relevance.....	59
Cooperative Education Comments	62

Job Skill Importance and Lane Training of Skills (Career Technical Majors)	65
Vocationally-Specific Skills	66
Training (Career Technical Majors)	68
Overall Rating of Training	68
Lane’s Contribution to Placement/Advancement	68
General Education (All Respondents)	70
Communicate Effectively, Think Critically, Understand Relationships, Explore Academics	
Comments (All Respondents).....	72
Related Reports and Further Information.....	77
Appendix A: Transfer Student Survey Instrument	79
