Summary of Responses to Additional Questions

Notes:

ID# = Respondent ID number.

Comments= Additional comments provided by students (note: while many of these comments were directed to a particular issue, students were not prompted with a specific question).

ID #	Comment
178A	MOST IMPORTANT. WE NEED MORE HELP IN SCIENCE RESOURCE CENTER AND ADULT SIZE DESKS IN ALL CLASS ROOMS!
19a	Information on Student Services needs to be more available. Q:K - worked for 30 years/layoff.
275A	v. - It cost too DAMN much! I did not like to support some programs like, Gay & Lesbian Club and OSPIRG. What a JOKE!
327A	OSPIRG has no role here but to leech student fees. They have done nothing I've seen to support their role here but to suck down cash.
360A	I am not aware of these programs and services.
372A	I don't want to feel a part of a community college!
380A	How lame can this college go? Who could have been offended by the title "Student Activities"? This is why I believe that this campus has gone too far with being "Politically Correct".
538A	iv - Except OSPIRG. But I'm willing to pay the fees anyway - think the services are of value for students of normal teen - 20 something college age.
560A	The answers are confidential and identity not revealed so ... I don't feel I should give my SSN. I didn't see why you need it. I'm a student at LCC that how I got this survey, in my Anthro 103 class. CG.
580A	v. - I don't want to pay for \$127 of stuff I don't care about or support unless it's for programs or athletics, not OSPIRG and ASLCC.
581A	iv. - I would rather not have all of the ASLCC activity "GARBAGE" and have my money going to save the engineering program and others slated for cuts.
588A	Parking REALLY SUCKS.
90A	V. - How can a person attend these functions when you are in class or you have to work the day or time indicated on the flier? I haven't attended a solitary function in the entire time I have been here. I have no life! Fun does not exist!
91A	I don't like the extra fee on me.
