**Customer Certification:** As a qualified Eugene Water & Electric Board (EWEB) customer, I certify that I have purchased and installed the indicated energy-saving products for use in my business facility. I understand that the issuance of this rebate by EWEB is based solely on the value of the projected energy savings and in no way implies any ownership by EWEB of the products, equipment or makes any implied warranty of the products or their installation. I understand that I am responsible for any necessary permits that may apply to the installation of these products and the proper disposal of any and all removed materials and equipment.

I certify the attached documents to this rebate application are authentic proof of purchase by me or my authorized business representatives for the items applied for on this application. I also certify that the information on this application and the attached documentation is true and accurate. I understand that in no cases can the rebate issued exceed cost of the products. I understand that pre-approval is required for rebate applications that are greater than \$1,500 per site, per year.

Upon reasonable notification, I agree to allow EWEB to verify both the sales transactions and the product installation at my facility. I understand that incentives are taxable and may be reported to the IRS. Note: EWEB advises any questions regarding the taxability of this rebate should be discussed with your tax consultant.

Rebate applications must be submitted to EWEB no later than December 31, 2008. Rebates will be paid centrally to Lane Community College quarterly and credited internally to the account shown.
