

### **HOPE Consortium Project**

## **Certified Nursing Assistant – Acute Care (CNA 2) Training Fall Term 2011**

**Training will begin during the week of September 26, 2011. Additional details will be provided later.**

**Location: Lane Community College - Downtown Center**

A CNA 2 is trained to assist licensed nursing personnel in providing nursing care to patients. The goal is to provide opportunities for client independence and to promote positive healing. Additionally, a CNA 2 is expected to model correct methods of patient care to peers.

This is a six-week training that consists of 48 classroom hours and 25 clinical hours. By Oregon State Board of Nursing regulations, the course is restricted to those who hold a current, unencumbered Oregon CNA 1 certificate and have their name listed on the CNA Registry. To be successful in the training, potential students should have a minimum of six months work experience as a CNA 1.

### **Eligibility, Prerequisites, and Application Requirements**

#### **Eligibility:**

1. Register with WorkSource Lane at either:

- Lane Community College, Bldg. 19, Room 266

**OR**

- Oakmont Site, 2510 Oakmont Way

**Please bring documentation that can be used to validate your birth date.**

2. Must be an adult, 18 years of age or older.
3. Must be a Dislocated Worker or a Low-Income Adult as determined by WorkSource registration (Step #1) and/or in need of updated training related to the healthcare industry.
4. Must demonstrate eligibility to be employed in the U.S. by providing acceptable documents (driver license, passport, social security card, etc.).
5. Priority is given to veterans and eligible spouses.
6. Six months of prior employment as a CNA1 is highly recommended.

7. Must have a clean criminal history. Upon acceptance into the CNA training, must be able to pass a background check at the beginning of training. A prior felony conviction of any type, or a misdemeanor for drug, alcohol, or assault may disqualify you from working in the healthcare field.
